€499,000

Reference: CC4433

Key Features

- 3 bedrooms
- 3 bathrooms
- 167 m² build
- Swimming Pool: Communal

Description

Located close to the old town of Javea and the Port area, this high quality two storey penthouse offers 3 bedrooms along with 3 bathrooms (2 en-suite) with a large open plan living area. Ideal for winter living with south orientation, the property features a wraparound terrace on the lower floor along with a double terrace of 25m² on the upper floor with expansive open views taking in the Mediterranean sea, Cap Prim and across the valley to the west and sunset.

One of only two units like it in this desirable complex, the apartment comes with a larger than average car parking space and good size high ceiling storage room. With ducted heating and cooling this beautiful penthouse is perfect for all year living making it the perfect option for either a holiday home, rental investment or permanent residence.

Features: South orientation, Sea views, Mountain & open views, Hot/cold air conditioning, Communal pool,

Communal gardens, Underground parking space, Store room, Terrace, Walk to all amenities
